Headteacher's Spotlight

This week, Our KS2 cricketers have been crowned champions of the world and 52 of our pupils sang beautifully at the Shropshire Sings event in Shrewsbury - a huge amount of talent on show. Thank you to the staff and parents who helped!

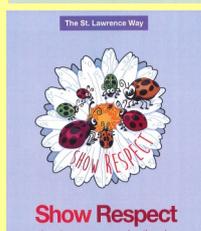

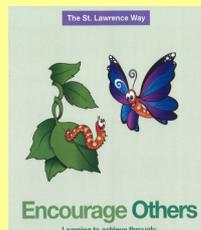

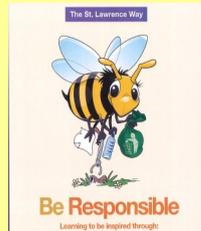

Please pupils can all pupils still bring light coats into school this term so they can still be outside in any rain showers.

I am delighted to inform you that Mrs Watkins is expecting a baby in September. Miss Neal will be the Reception Class teacher next year and teachers for other classes will be announced on Friday 24th June.

Please remember that we only take responsibility for pupils from 8:45 (unless at Breakfast Club). Those arriving earlier and waiting must be supervised and/or behaving impeccably. Please do not park on any double yellow lines on the school site as this causes congestion and visibility issues.

Our pupils continue to develop their times tables knowledge. It is essential that those who can, know these number facts up to 12 x12 by the end of Y4 in order to be able to access all Y5/6 maths. Times tables tests took place on Wednesday in KS2 and many pupils impressed us again (see below). There has been much progress since the last tests which took place in April. KS1 classes will be completing their tests next week and results will be posted in next week's newsletter.

Boys Bowled Over By Wonderful Win!

On Wednesday, the school sent a Year 5/6 team to the South Shropshire Boys' Kwik Cricket Tournament at Ludlow Cricket Club.

The team of 8 boys (Will Gregg, Christoph Wilderer, Ryan Drakeford, Ethan Sheffield, Oscar Jeffries, Mikey Price, Seth Swinbourne and Tom Taylor) started well by winning all 3 games before lunch, which coincided with the only bad weather during the day. In the afternoon, their success continued as they triumphed in two more exciting matches, leaving them with an unblemished 100% winning record. Despite a few near misses, it is the first time that a St Lawrence team has won this competition in 7 attempts - an impressive achievement!

During the trophy presentation, the organisers congratulated the team on their skills, teamwork and sense of fair play. All the boys wish to thank Mr. Betton for helping out with the transport to and from the venue.
