

## Headteachers Spotlight

13TH FEBRUARY 2026

What an exciting couple of weeks we've had. Our Year 5 children enjoyed their residential at the Pioneer Centre, and Year 6 have been adventuring at Arthog. We are certain they all have wonderful stories to tell and memories that will stay with them for years to come.

Back in school, classes have been taking part in the Lent Experience sessions at St Laurence Church. These visits are always a special opportunity for the children to deepen their understanding of the liturgical calendar and reflect on the values of compassion, gratitude and renewal that sit at the heart of Lent.

As we approach the half-term break, I want to wish all our families a very well-deserved rest. I hope the week brings time to recharge and enjoy moments together before another exciting chapter in our school year begins next term.

## Prayer of the Week

Thank you, God, that you know each of us by our names. Thank you, too for everyone else who knows my name at school, in my family and in the clubs and activities that I go to.

Be with them as they help and support me.

Amen

## Reminders

### Trip consent forms:

We have some wonderful trips to look forward to in the coming months and would appreciate if consent forms could be completed in good time to allow us to make all the relevant plans and any required adaptations so that visits to run smoothly.

Should you have any issues with the ParentMail consent forms or queries about upcoming visits, please do get in touch with the school office.

### Volunteers:

As you may be aware, we are having to run school with lower support staff levels than ever before, making trip planning and even local events, hard to make possible.

If you, or someone you know, would be able to spare an hour here and there to support with things like; walking with a class to church, joining us on school visits or coming in to listen to children read - we would love for you to get in touch!

Thank you.
